J Int Med Sci Acad
2017; (October – December); Vol 30; No. 4

Subject Index

2D-Echographic assessment of left ventricular diastolic dysfunction in severe hypertension and its correlation with physical findings, chest radiograph and electrocardiogram 82

A

A Comparison of Boey Score and American Society of Anesthesiologists (ASA) Score in Predicting the Outcome of Perforated Peptic Ulcer 25

Academic versus Community Doctor 49

Amoebic liver abscess leading to inferior vena caval thrombus formation with its right atrial extension 99

A case of Erdheim - Chester Disease: A Rare Case report 146

Arthroscopic Management of Primary synovial chondromatosis 197

Assessment the Functional outcome after arthroscopic mosaicplasty for localized osteochondral defects in the knee of tibial plateau fractures 204

Assessment of the functional outcome arthroscopic assisted reduction and percutaneous/open internal fixation of tibial plateau fractures 211

A Rare case of Chronic Myeloid Leukemia with massive Splenomegaly with splenic infarct 223

B

Bleeding per rectum in children - North India experience 193

Brainstem Encephalitis 225

C

Clinical features of Non - Hodgkin Lymphoma in Northern India: An analysis of 241 cases 29

Capillary hemangioma - External au'ditory canal 149

Colloid cyst in third ventricle 154

D

Determination of Serum Zinc Concentration in SGA neonates compared to AGA neonates 127

E

Effects of neoadjuvant chemotherapy on the surgical outcome of locally advanced breast cancer 19

Estimation of fetal bilateral thalamic volume in normal fetuses using 2-D ultrasound 79

Endocrinopathy in thalassemia major patients on chelation therapy: A study of North Indian population 89

Economic evaluation of care in diabetic patients - A community base study in rural areas of Bangalore urban district 121

Enhanced image registration technique for medical image segmentation 140

Eagle's Syndrom- A clinical dilemna - Case Report and Review of literature 156

Extensive Necrotizing fasciaitis (NF)following administration of IntraMuscular injection in a acute febrilillness with thrombocytopenia due to dengue fever 159

F

Floating membrane sign 101

I

Idiopathic chylous ascites incidentally diagnosed during tubectomy operation 42

Inappropriateness of identification badges hanging on lanyards 64

Increasing burden of diabetes mellitus in India: Challenges ahead 117

Improve Children health - Best investment for better tomorrow 162

L

Large & Rare Adrenal Oncocytoma 221

M

Meckel Diverticulum in Pediatric Population: Our Experience over 3 years 86

Mesh related infection of ventral hernia repair and its management with antibiotics and saline dressing 102

O

On the nature and relevance of medical journals in the era of internet and information explosion 10

P

Prospective Non-Randomized Contolled Study of the effect of Mind-Body Relaxation on T-Cell Subsets and NK Cell Population in Cancer Patients 13

Patient Versus Healthcare Consumer 47

Prevalence, distribution and pattern of childhood soft tissue and visceral trauma in a tertiary care hospital: A record-based cross-sectional study 93

Patterns of Adverse Events Following Childhood Vaccination 97

Parkinson's rehabilitation: Achieving in goal of independence in daily activities 234

R

Role of Renal Preservation Surgery in Non-functional Kidneys due to Congenital Pelviureteric Junction Obstruction 33

Role of MRI in differentiation of acute disseminated Encephalomyelitis from multiple Sclerosis 130

Role of color and duplex doppler invdifferentiating malignant from benignvthyroid nodules 134

S

Scales used in India to evaluate socioeconomic status in medical research: limitations of existing scales and the need of a more comprehensive one 66

Spectrum of presentation of Vit B 12 deficiency in adult patients in a tertiary care hospital 187

Severe Jaundice in a patient with acute hepatitis E infection with co existent Glucose 6 Phosphate dehydrgenase deficiency 218

Spectrum of sleep disturbances in Parkinson's disease 229

T

The lost sheep of modern medicine: "From hurt to heart – Regaining the Midas' Touch" 45

U

Ultrasonography of Ulnar nerve abscess in leprosy- A report of two cases 36

Unilateral steno-occlusive endoluminal proliferative cerebral angiopathy of middle cerebral artery causing hydrocephalus ex vacuo 39

Ultrasonographic Findings in Dengue Fever – A Retrospective study 75

Uncommon nasopharyngeal mass extranodal natural killer/ T- Cell lymphoma - A case report 151

V

Vitamin B 12, Deficiency in India 185
