Shimla

Shimla was the summer capital of the British. Situated at a height of 2200 m, Shimla is one of the most eminent tourist destinations in the country. Set amidst beautiful hills and mystical woods, this town has colonial-style buildings alongside the historic temples and the amalgamation of the worlds leaves everyone visiting this region spellbound.

The Conference is jointly organized by I.G Medical College Shimla and Dr. Radhakrishnan Govt. Medical College, Hamirpur.

About IG Medical College, Shimla
Indira Gandhi Medical College (IGMC) was established in 1966 as HP Medical College (name changed in 1984). The institute endeavors to provide the best health & medical care, to the people of the state. It is a centre of excellence in academics and research in all spheres. As a premier institute of the nation, IGMC Shimla contributes immensely in the advancement of the health care of the country.

Department of Community Medicine

Deptt. of Community medicine, the then PSM came into existence right in 1966. It is providing a wider link between various clinical disciplines and the people in the community. It is addressing the health needs of the state and also contributing to the same in the country as well. It is providing various consultancy services in the institution as well as in the community. The research in the field of public health is also being undertaken by the department for the benefit of the community.
