

International Medical Sciences Academy (IMSA) is a unique platform which shoulders the responsibility of facilitating research in matters related to health sciences. It pledges to bring together all the individuals involved in health care system to help dissemination and expansion of medical knowledge.

We are pleased to inform you that IMSA's midterm conference is being conducted by Department of Pharmacology, Dayanand Medical College & Hospital, Ludhiana on 23<sup>rd</sup> April 2016. DMCH is one of the leading tertiary care teaching hospitals of North India. The institution is equipped with all kinds of modern facilities for providing excellent care to the patients and training to the undergraduate and postgraduate students. DMCH is located in the heart of Ludhiana, the Manchester of India. This industrial city is not only a center to traditional Punjabi culture but also displays modern savoirfaire. The event will serve to fulfill the academic and clinical satiety of all the stakeholders involved in patient care. On behalf of IMSA's, Punjab chapter, we cordially invite you to participate in the conference.

Looking forward to your esteemed presence in making this event a grand success with your support and participation.
