PRESIDENT WRITES

Dear Fellows and Members,

Often the most distressing memory of a desperately sick mother is that of an episode of eclampsia. Pregnancy induced hypertension is easily detected early and its management is well within our reach. We have, in a collection of varied topics, discussed in this edition of our JIMSA, a glimpse of the span of interests that encompasses our organization. Can we ask for more? Sure, it would be extremely heartening to meet all of you at the forthcoming IMSACON 2007 at Manipal, India. Till the meet, here is an interesting collection for reading.
