

abscess drainage or cyst aspirations are performed relatively infrequently. With further advances with imaging and newer procedures for tissue ablation, the choice of treatment for prostatic malignancy might change.

Conference News

13th ANNUAL INTERNATIONAL CONFERENCE of INDIAN ACADEMY OF ECHOCARDIOGRAPHY will be on **February 8 -10 , 2008 at Ashoka Hotel** New Delhi (India)

SCIENTIFIC HIGHLIGHTS OF CONFERENCE

- Stress on clinical echocardiography with emphasis on role in management issues
- Lectures to cater to all levels of echocardiographers & cardiologists
- Meet the expert sessions with active interaction with faculty
- Interesting live workshops
- Daily sessions on interesting case studies
- Young Investigator award session
- Orations of general interest for participants
- **Natesa G Pandian Gold Medal For Best Case Presenter:** (a) The award is applicable to members of IAE (b) age of the presenter must be below 45 years (c) presentation time will be 8 mins (d) the relevant CD containing brief history, relevant investigations, well edited echo images and final diagnosis must be sent to HQ, IAE by 30 November, 2007. (e) 10 best cases will be selected and the presenters will be informed by 31st December, 2007
- Free paper sessions will be encouraged
- An excellent scientific program of practical importance will be presented
