PRESIDENT WRITES

Dear Fellows and Members,

Wish You a Very Happy and productive New Year.

IMSACON 2006 at Lahore, Pakistan was indeed a very memorable event and we look forward to the IMSACON 2007 to be held at Manipal, India.

This issue of the JIMSA highlights "Interventional Radiology". So many conventionally "difficult-to-do" procedures have been successfully managed by Interventional Radiologists. Patient safety, cost of hardware and long-term results must be the key track off, lest technology blindly drives patients care. A galaxy of articles by eminent authors fills the pages of the JIMSA, I am sure that this interesting update will be cherished by all.
