INTERNATIONAL MEDICAL SCIENCES ACADEMY

January - March 2016  
Vol. 29 No. 1

## PRESIDENT WRITES

Dear Fellows, Members and Associates

This issue covers quite a few interesting articles on various aspects of medical sciences. Our academy is organizing different fellowship programs in India and abroad, especially the middle level medical training initiative of the Royal College of Physicians and Surgeons of Glasgow. I am sure it is a good opportunity to the younger generations to take part in the global medicine. It is a good two way program; I am sure that middle level medical professionals in various disciplines will benefit a lot by opting for this. The IMSA world head quarters will assist.

Looking forward to your continued support and patronage to our JIMSA.
