PRESIDENT WRITES

Dear Fellows and Members,

It is indeed a great pleasure to write this page for the first issue of JIMSA for the year 2008. The theme of the issue is "**Diagnostic Challenges in Neurology**". The spread of articles included in this issue is vast, from cutting edge technology - loaded topics to every day clinical issues. I am definite that all of us will find the information rewarding.

IMSACON 2008 is to meet at Dubai on 12th and 13th October 2008. Dr. Shaheena, who very impressively held the IMSACON 2006 at Lahore, Pakistan, is guiding the organization of this first event at Dubai. I am certain that many of us will find it possible to meet at the IMSACON 2008 and make it a memorable event.

*Wishing all fellows & members of the Academy
a happy and fruitfull year 2008.*

K. Jagadeesan
