INTERNATIONAL MEDICAL SCIENCES ACADEMY

July - September 2016

Vol. 29 No. 3

## PRESIDENT WRITES

Dear Fellows, Members and Associates,

Recently concluded IMSACON at Mauritius on 7th and 8th October 2016 was very well appreciated with regard to the scientific contents and the overall conduct of the conference by all the participants. I am sure with the involvement of more and more fellows and members and their feedback, we shall try to excel every time. This positive approach of our fellows is the sole reason for the success of the conference as well as our academy.

We are aiming at couple of accreditations in the coming year. Still the thrust on research and the world head quarters building completion, remain our big challenges. I am sure with everybody's cooperation we will achieve the same, in the near future.

Wishing you the very best.

**Dr. K. Jagadeesan**  
President, IMSA

## IMSA/ JIMSA WEBSITE

[www.imsaonline.com](http://www.imsaonline.com)

[www.jimsaonline.com](http://www.jimsaonline.com)

All fellows and members of IMSA can have **access** to the site and get information about its objectives, benefits to the fellows/members, chapters and their activities including seminars, refresher courses, rural CMEs etc. and also IMSACON - a regular annual event of international standard; *application form for enrollment as fellow/member can also be downloaded. Fellows - members and even non fellows-members can have access to full text in the quarterly journal - jimsa from July - Sept. 2003 onwards by putting their e-mail address under 'user name' and using the password 'UserJimsa'.*

# Free Access

**APPEAL FOR IMSA BUILDING FUND**

Dear Colleagues,

International Medical Sciences Academy (IMSA) is a global organization established as a registered society on 28<sup>th</sup> March 1981 with world headquarters at New Delhi. It is the only international body which encompasses all disciplines of medicine. It has regions in America, Australia, Europe, Africa, rest of Asia and India. There are 28 chapters world over: IMSA is run by Board of Trustees apart from other executive committees. IMSA is an associate member of Council for International Organizations of Medical Sciences (CIOMS). It has about 2550 Fellows & Members world over and the membership is expanding. Many Nobel Laureates are its fellows.

The main objectives of IMSA is to bring together national and international medical scientists, medical educationists, medical and public health administrators and research workers in medical and health sciences on a world wide basis for advancement of health of all the people in the world. The academy also arranges courses, training programs, CME programs and Rural CME programs. IMSA publishes quarterly journal, JIMSA in which original articles, updates, symposia, special issues on topics of current interest are published.

**Our Annual Conference - IMSACON 2015** held at Vythri Resorts, Wayanad, Calicut, Kerala on October 10<sup>th</sup> & 11<sup>th</sup>, 2015, was extremely successful event.

Though IMSA has been in service of medical profession and has been encouraging development of medical sciences by bringing information technology into the profession thus improving the health of nations, yet we do not have our own building to work more effectively. Our organization is committed to the medical profession for promoting Continuing Medical Education and also hold educational programmes on topics of National and public health importance. We need to conduct more seminars, organise lectures by National and International experts and hold regular workshops and group discussions. For arranging such activities we are badly in need of our own building with adequate infrastructure and facilities like an Auditorium, projection room, library, committee rooms for interactive sessions etc. So far we have been operating from small rented space which can hardly accommodate our office.

Friends, we have been fortunate to get a piece of land about 500 sq.mtrs allotted to us by the Lt. Governor of Delhi for developing the IMSA World Head Quarters at Delhi. I am approaching all Fellows and Members to donate at least Rs. 5000/- each to meet the cost of the land as well as for construction of our own building. The donations are exempted from tax under 80G; the cheque may please be made in the name of "IMSA - Building Fund" payable at New Delhi, and sent to the Headquarters.

Thanking you in anticipation and warm regards,

Yours Sincerely,

Dr. K.Jagadeesan, President, IMSA,WHQ

**IMSA Chapter Activities/ CME Programmes****IMSA Jammu Chapter**

13.07.16: Dr Akriti Mahajan, Dr P Sadhotra, Dr Ravinder K Gupta: Topic: VITAMIN A IN CHILDREN
