

APPEAL FOR IMSA BUILDING FUND

Dr. K. Jagadeesan
President, IMSA

International Medical Sciences Academy (IMSA) is a global organization established as a registered society on 28th March 1981 with world headquarters at New Delhi. It is the only international body which encompasses all disciplines of medicine. It has regions in America, Australia, Europe, Africa, rest of Asia and India. There are 28 chapters world over. IMSA is run by Board of Trustees apart from other executive committees. IMSA is an associate member of Council for International Organizations of Medical Sciences (CIOMS). It has about 3300 members world over and the membership is expanding. Many Nobel Laureates are its fellows.

The main objectives of IMSA is to bring together national and international medical scientists, medical educationists, medical and public health administrators and research workers in medical and health sciences on a world wide basis for advancement of health of all the people in the world. The academy also arranges courses, training programs, CME programs and Rural CME programs. IMSA publishes quarterly journal, JIMSA in which original articles updates, symposia, special issues on topics of current interest are published.

*An annual conference - IMSACON is a regular feature; being an International organization every alternate year, the annual conference is held outside India. This year's **IMSACON** was held at Royal Society of Medicine, London, UK between 10th and 11th September 2010 and was an extremely successful event.*

Though IMSA has been in service of medical profession and has been encouraging development of medical sciences by bringing information technology into the profession thus improving the health of nations, yet we do not have our own building to work more effectively. Our organization is committed to the medical profession for promoting continuing Medical education and also hold educational programmes on topics of National and public health importance. We need to conduct seminars, organised lecturers by National and International experts and hold regular workshops and group discussions. For arranging such activities we are badly in need of our own building with adequate infrastructure and facilities like an Auditorium, projection room, library, committee rooms for interactive sessions etc. So far we have been operating from small rented space which can hardly accommodate our office.

*Friends, we have been fortunate to get a piece of land about one acre allotted to us by the Lt. Governor of Delhi for developing the IMSA World Head Quarters at Delhi. I am approaching you to donate liberally to meet the cost of the land as well as construction of our own building. The donations are exempted from tax under 80G; the cheque may please be made in the name of "**IMSA – Building Fund**" payable at New Delhi, and sent to the Headquarters.*

Thanking you in anticipation and warm regards,

Yours Sincerely,
Dr. K. Jagadeesan
President, IMSA, WHQ
