Dear Colleague,

It gives us immense pleasure to invite you to the Annual Conference of the International Medical Sciences Academy. IMSACON 2005 will be held at Jaipur, Rajasthan from 22nd to 24th October 2005. The *theme* for this year's conference is **"Emerging Health Challenges"**.

This conference promises you a fantastic opportunity to meet and interact with specialists from various branches of medical science. A galaxy of national and international speakers with vast clinical experience and outstanding research background will be participating in the scientific sessions. Along with the intellectual extravaganza, you can enjoy the delights of the Pink City. As you know, Jaipur is a great tourist destination, a heritage city famous for its rich culture, artistic excellence and legendary hospitality. We look forward to welcome you to the conference and assure you of a fruitful and memorable stay.
