

SUBJECT INDEX

A			
● A Case of Myopathy Caused by Simvastatin in a hypertensive diabetic patient	203	● Literature Review	9,12,30,74,96,160,165,218
● A Clinical Study of Topical Analgesia with 4% Lignocaine following Tonsillectomy.	61	M	
● Adipocyte-an Endocrine Organ	137	● Management of Bedwetting in Children	225
● Adolescent Sexual & Reproductive Health in India: Challenges and opportunities.	215	● Medical Management of Obesity	173
● Advances in the Pathogenesis and Management of Idiopathic Steroid Resistant Nephrotic Syndrome in Children	228	● Moyamoya Disease	87
● Aetiopathogenesis of Obesity.	133	● MR Features in a classical case of Multicystic Encephalomalacia and Its Differential Diagnosis	31
● Amiodarone Induced systemic lupus Erythematosus	207	● MRI Changes in Compressive myelopathy in flurosis-study of 18 cases	199
● An Experience of 22 Cases of Hepatic and Pulmonary Hydatidosis in 2 years in Nepal	63	● MRI Characteristics of Acute Transverse Myelitis with clinicotherapeutic Correlation	7
● An Integrated Biomedical Waste Management and Disposal Plan for Large Hospitals of Lucknow.	93	N	
● Approach to a case of Childhood Obesity.	167	● Neuroleptic Malignant Syndrome	209
● Abstracts : IMSACON 2008	238	● Neuropathic Edema and Charcot Foot in a Diabetic Patient	219
B		● Nosocomial Infections- Therapeutic Challenges	189
● Bariatric Surgery: Cure for Morbid Obesity.	179	O	
C		● Obesity and Cardiovascular Risk: Metabolic Syndrome	147
● Cholesterosis and Adenomyomatosis of Gall Blander- An Ultrasound Diagnosis	77	● Obesity and Renal Dysfunction	155
● Current Perspectives of Polycystic Ovary Syndrome (PCOS)	161	● Obesity and Respiratory Complications	151
● Current Therapy of HIV/AIDS	89	● Obesity Epidemic in India	129
D		● Obesity in Elderly- Is it Harmful?	171
● Dengue Fever: A Clinical Profile	83	● Obesity: Impact on Morbidity and Mortality	141
● Development of Paediatric Nephrology in India	223	● Obstructive Uropathy in Newborns	234
● Diagnostic Challenges In Cerebrospinal Fluid Analysis	35	● Organophosphorus Poisoning- Revisited	211
● Diarrhea, Vomiting and Pain Abdomen: A Case Report of Schmidt's Syndrome	79	P	
● Double Malignancy of Rectum and Kidney: A case report	75	● Post- Transfusion Purpura	71
● Drug profile : Voriconazole	38	● Potential role of MR Angiography in selecting patients for Thrombolytic Therapy	11
Voglibose	65	● Preoperative Evaluation of Colorectal Carcinoma by computed Tomography	195
Sitagliptin Phosphate	145	● Prevalence of Nasal carriage of Methicillin Resistant Straphylococci in Healthy Population of Gangtok East Sikkim	191
Ranolazine	201	R	
E		● Renal replacement therapy in children	231
● Efficacy of Herbal Medication for Enhancing the Breast and tests in Female Wistar Rats	59	● Rimonabant: A Novel but Controversial Agent	177
● Electroencehalography in Neurology	27	● Role of Educational Intervention in increasing Knowledge, Attitude and Practice of Iranian Women about Breast Self Examination.	57
● Endoscopic Evaluation of Small Bowel	115	S	
● Endoscopic Management of Malignant Gastrointestinal Obstruction	103	● Screening For Breast Cancer- finding an Indian solution to an Indian problem	55
● Endoscopic Treatment of Barret's Esophagus	99	● Single Ventricle with Dextrocardia in an Adolescent Female	73
● Endotherapy of Benign Biliary Lesions	107	● Slow Epidemic of Bronchial Asthma	219
● Endotherapy of Chronic Pancreatitis	111	● Solitary Osteochondroma of the scapula.	205
F		A rare differential diagnosis with shoulder pain	
● Functional Brain Imaging	17	T	
H		● Transcranial Doppler Monitoring	21
● Hemichorea-A Rare Presentation of Acute Stroke	81	U	
● How to Investigate Intracerebral Haemorrhage? Do we know, whom, how & when to investigate?	25	● Unusual Clinical Presentation of Nerurocysticerosis- A Report of 3 Cases	33
● Hypercoagulable States: Diagnostic Challenges	13	V	
● Hypolipidemic drugs – the promise of statins	149	● Viral Encephalitis: Imaging Features.	39
I			
● Infection and Health Care Assistant.	67
