

41ST NATIONAL CONFERENCE OF INTERNATIONAL MEDICAL SCIENCES ACADEMY

IMSACON-2026

THEME: "ONE HEALTH - RECENT ADVANCES IN MEDICAL SCIENCES"

DATES : 25TH & 26TH APRIL, 2026

DR K JAGADEESAN
President, IMSA

Prof. Rakesh Singh
Organizing Chairman
Professor
Department of Microbiology
JIPMER, Puducherry

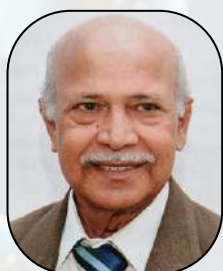

DR R K THUKRAL
Secretary General, IMSA

Dr Rakhi Biswas
Organising Secretary
Professor
Department of Microbiology
JIPMER, Puducherry

Dr. Noyal M Joseph
Joint Organizing Secretary Cum Treasurer
Professor
Department of Microbiology
JIPMER, Puducherry

Prof. Shanmugam J
IMSACON Coordinator
Chairman
IMSA Pondicherry Chapter

VENUE : JIPMER, PUDUCHERRY

ABOUT IMSA

The International Medical Sciences Academy (IMSA) was established in the year 1981 by medical stalwarts such as Dr. K. N. Rao, Dr. P. N. Narasimha Rao, and Dr. Padmavathy. The Academy elects Members and Fellows once every three months, and currently the number of Members and Fellows exceeds 4,000. The Academy organises annual conferences, IMSACON, alternately in India and in other countries. The JIMSA journal is a quarterly publication of this Academy. IMSA chapters have been established in most Indian states and in several countries across Asia, Europe, and Africa. Eminent medical doctors and scientists are invited to deliver various prestigious IMSA Orations during the annual IMSACON conferences held in India or abroad. The elected Fellows of the Academy are also eligible to be nominated for the Fellowship of the Royal College of Physicians or Surgeons (FRCP/FRCS), as the Academy is affiliated with the Scottish Society. Doctors with more than eight years after obtaining an MD/MS degree can be nominated for the Fellowship (FIMSA). MD/MS graduates are eligible for Membership (MIMSA), and postgraduate students are eligible for Associate Membership. The present President is Dr. K. Jagadeesan, Director of KJ Hospital, Chennai and Secretary General IMSA is Dr. R. K. Thukral

Doctors interested in getting nominated can download the application form from the official website of the organisation: www.imsahq.com. The application form will also be available for download during conference registration. Applicants are requested to carefully follow the instructions provided in the application form for further processing.

**For more details and to get nominated for FIMSA/MIMSA,
please contact the Chairman of the IMSA Puducherry Chapter,
Dr. J. Shanmugam (Mobile: 9486623094; Email: drjshanmugam@gmail.com).**

IMSACON - 2026

The IMSACON conference invites registration from all registered medical practitioners across pre-clinical, para-clinical, and clinical departments, including postgraduate students, residents, consultants, and practising clinicians. The event aims to foster interdisciplinary academic exchange and professional networking among medical professionals. As part of the conference, the IMSA Convocation will be held on 26th April, during which the prestigious IMSA Fellow Award will be conferred upon selected individuals in recognition of their academic and professional contributions. Eligible members may apply for the IMSA Fellow Award, and the selected recipients will be formally honoured during the IMSA Convocation ceremony.

REGISTRATION DETAILS:

Payment details			
	Early Bird Registration Till 31.03.2026	Regular Registration After 31.03.2026	Spot registration
Junior residents/Senior residents	₹2000	₹2500	₹3000
IMSA member	₹2500	₹3000	₹3500
Non-IMSA member	₹3000	₹3500	₹4000

Bank Details

Account Name: EVENTS OF GHM TRAINING JIPMER

Account Number: 98340100006025

IFSC code: BARB0JIPMER {5th digit is Zero}

Branch name: JIPMER, Puducherry

TENTATIVE TOPICS TO BE COVERED IN THE SCIENTIFIC SESSIONS

1. EMERGING AND RE-EMERGING INFECTIOUS DISEASES
2. ANTIMICROBIAL RESISTANCE (AMR) AND CONTROL MEASURES
3. DIABETES IN INDIA: CURRENT TRENDS AND PREVENTIVE STRATEGIES
4. INFECTIOUS DISEASES AND GLOBAL HEALTH
5. MANAGEMENT OF NEONATAL COMPLICATIONS
6. HPV VACCINATION IN INDIA: CURRENT STATUS AND FUTURE PROSPECTS
7. MANAGEMENT AND CONTROL OF STROKE
8. ADVANCES IN CORNEAL DISEASES AND TRANSPLANTATION
9. ROBOTIC SURGERY: CURRENT TRENDS AND FUTURE PERSPECTIVES
10. EMERGING CANCER BURDEN IN INDIA
11. ARTIFICIAL INTELLIGENCE IN MEDICAL SCIENCES
12. ADVANCES IN IMAGING TECHNOLOGY
13. ZOO NOTIC DISEASES AND THE ONE HEALTH APPROACH
14. CLIMATE CHANGE AND ITS IMPACT ON HUMAN HEALTH
15. EMERGING VIRAL INFECTIONS AND PANDEMIC PREPAREDNESS
16. ADVANCES IN VACCINE DEVELOPMENT
17. RAPID DIAGNOSTICS IN INFECTIOUS DISEASES
18. PARASITIC INFECTIONS: EMERGING CHALLENGES AND CONTROL STRATEGIES
19. ADVANCES IN CRITICAL CARE MEDICINE
20. PRECISION MEDICINE AND PERSONALIZED THERAPEUTICS
21. DIGITAL HEALTH AND TELEMEDICINE
22. ADVANCES IN TRANSPLANTATION MEDICINE
23. MENTAL HEALTH IN THE POST-PANDEMIC ERA
24. MICROBIOME AND ITS ROLE IN HEALTH AND DISEASE
25. ADVANCES IN MOLECULAR DIAGNOSTICS
26. ENVIRONMENTAL HEALTH AND POLLUTION-RELATED DISEASES
27. INNOVATIONS IN PUBLIC HEALTH SURVEILLANCE SYSTEMS
28. INTEGRATING HUMAN, ANIMAL, AND ENVIRONMENTAL HEALTH: THE ONE HEALTH PERSPECTIVE

ORGANIZING COMMITTEE

Organizing Chairman

Dr Rakesh Singh
Professor
Department of Microbiology, JIPMER.

Organizing Secretary

Dr Rakhi Biswas
Professor
Department of Microbiology, JIPMER.

Joint Organizing Secretary (cum Treasurer)

Dr Noyal M Joseph
Professor
Department of Microbiology, JIPMER.

Scientific committee

1. Dr S Sujatha (Senior Professor, Department of Microbiology, JIPMER)
2. Dr Rahul Dhodapkar (Professor & Head, Department of Microbiology, JIPMER)
3. Dr Apurba Sankar Sastry (Additional Professor, Department of Microbiology, JIPMER)
4. Dr Maanasa Baskar (Assistant Professor, Department of Microbiology, JIPMER)

Catering Committee

1. Dr Rakhi Biswas (Professor, Department of Microbiology, JIPMER)
2. Dr Nagala Devi Arumugam (Senior Resident, Department of Microbiology, JIPMER)
3. Dr Priya Sree Balaji (Junior Resident, Department of Microbiology, JIPMER)
4. Dr Mythilipraba S (Junior Resident, Department of Microbiology, JIPMER)
5. Dr Gouri Krishnakumar (Junior Resident, Department of Microbiology, JIPMER)
6. Ms. Nefla B (M.Sc MLT, Department of Microbiology, JIPMER)
7. Ms Anaswara A (M.Sc MLT, Department of Microbiology, JIPMER)
8. Mr Aswin S (M.Sc MLT, Department of Microbiology, JIPMER)

Accommodation and Transport Committee

1. Dr Maanasa Baskar (Assistant Professor, Department of Microbiology, JIPMER)
2. Dr Mahalakshmi K (Senior Resident, Department of Microbiology, JIPMER)
3. Dr Oudhaya K (Junior Resident, Department of Microbiology, JIPMER)
4. Dr Sultan Basha (Junior Resident, Department of Microbiology, JIPMER)
5. Dr Ponmozhi T (Junior Resident, Department of Microbiology, JIPMER)
6. Dr S.G. Sree Lakshmi (Junior Resident, Department of Microbiology, JIPMER)
7. Ms. Nandhini N (M.Sc MLT, Department of Microbiology, JIPMER)
8. Ms. Harsha S k (M.Sc MLT, Department of Microbiology, JIPMER)

ORGANIZING COMMITTEE

Delegate Registration Committee

1. Dr. Apurba Sankar Sastry (Additional Professor, Department of Microbiology, JIPMER)
2. Dr. Hyma K P V (Senior Resident, Department of Microbiology, JIPMER)
3. Dr. Haripriya (Senior Resident, Department of Microbiology, JIPMER)
4. Dr Ayushi Sharma (Junior Resident, Department of Microbiology, JIPMER)
5. Dr Tanushree Layek (Junior Resident, Department of Microbiology, JIPMER)
6. Dr Pooja Ramapuram (Junior Resident, Department of Microbiology, JIPMER)
7. Dr Lakshmi Priya K (Junior Resident, Department of Microbiology, JIPMER)
8. Ms. Shimly (M.Sc MLT, Department of Microbiology, JIPMER)

Souvenir Committee

1. Dr Noyal M Joseph (Professor, Department of Microbiology, JIPMER)
2. Dr Harishini P (Senior Resident, Department of Microbiology, JIPMER)
3. Dr Benedict Vinothini A (Senior Resident, Department of Microbiology, JIPMER)
4. Dr Jithin John (Junior Resident, Department of Microbiology, JIPMER)
5. Dr Hage Tating (Junior Resident, Department of Microbiology, JIPMER)
6. Dr Hrishikesh M C (Junior Resident, Department of Microbiology, JIPMER)
7. Mr. O.M. Vasantharaja (Technical Officer, Department of Microbiology, JIPMER)
8. Ms. Shabeera Paravakkal (M.Sc MLT, Department of Microbiology, JIPMER)

Sponsorship Committee

1. Dr Rakesh Singh (Professor, Department of Microbiology, JIPMER)
2. Dr Mithun Raj (Junior Resident, Department of Microbiology, JIPMER)
3. Dr Sagar Chigaratti (Junior Resident, Department of Microbiology, JIPMER)
4. Dr Sristi Mahapatra (Junior Resident, Department of Microbiology, JIPMER)
5. Dr Sneha Sunil (Junior Resident, Department of Microbiology, JIPMER)
6. Ms. Gopika K S (M.Sc MLT, Department of Microbiology, JIPMER)
7. Ms. Sona P Santhosh (M.Sc MLT, Department of Microbiology, JIPMER)

HOTELS IN PONDICHERRY

***Since hotels in Puducherry tend to be heavily booked during weekends, We suggest you to reserve your accommodation at the earliest.*

TOURIST ATTRACTION

WHERE FRENCH CHARM MEETS INDIAN SOUL: SUN, SAND, AND SERENITY

Sri Aurobindo Ashram: The founder of Aurobindo Ashram, Sri Aurobindo Ghosh established it with the aim to help people attain inner peace and moksha. He laid down its foundation on November 24th in 1926 when he was surrounded by disciples after retirement from politics. The Ashram is renowned for its amazing structure, including a library and main building that can be accessed only with gate passes from the Bureau Central or guest houses inside. There's also an entire spiritual center made up of four houses where Mother and Sri Aurobindo lived for different intervals during their lifetime.

Auroville: Auroville is an experimental township established in 1968 with the vision of creating a universal city dedicated to human unity and sustainable living. This international community attracts people from all over the world who live together in harmony. The township's iconic Matrimandir, a golden globe-shaped meditation hall, symbolizes the central aim of Auroville, which is to foster peace and unity among people of all cultures and backgrounds.

Manakula Vinayagar Temple: Situated behind the Raj Niwas, Manakula Vinayagar ancient temple is dedicated to Lord Ganesha. The ancient Hindu shrine is estimated to have been established around five centuries ago. The Manakula Vinayagar Temple is a magnificent example of South Indian architecture. The traditional Dravidian style can be seen in all its glory with beautifully decorated friezes and stucco figurines. The sanctum houses a grand idol of Vinayaka called Vellakkaran Pillai.

Kargil War Memorial: The Puducherry Kargil War Memorial is a tribute to the valor and sacrifice of Indian soldiers who fought in the Kargil War of 1999. Situated along the scenic Beach Road in White Town, Puducherry, the memorial serves as a poignant reminder of the conflict and the soldiers' bravery. It features plaques and inscriptions that honor the fallen heroes, providing visitors with a place to reflect and pay their respects.

Seafront Promenade: Rock Beach or the Promenade Beach as it is commonly referred to by locals, offers a magnificent view of telluric sunsets over crystal clear water. Besides enjoying the stunning scenery you can relish drool-worthy seafood and coffee at the beachside cafes. The beach also has several significant landmarks such as the old Heritage Townhall, the old lighthouse, Dupleix's Statue, the War Memorial, and the statue of Mahatma Gandhi.

Chunnambar Boat House: A creek borders the Chunnambar boathouse on one side, and lush green meadows replete with waterfall backdrops that complete the exquisiteness and elegance of the place. The pristine sand and turquoise water are a relaxing experience. The ride along the backwaters in the Chunnambar boathouse is an experience by itself. The backwaters are situated at the junction of the Chunnambar River and the Bay of Bengal. The narrow winding strip is laden with green escapades, offering a breath-taking sight to all on board.

French Quarter (White Town): The French Quarter, also known as White Town, is one of the most charming areas in Puducherry. The colonial style French villas have huge compounds, grand walls and majestic doors. This defines the French lifestyle of keeping their personal and social life to themselves behind the high walls. With its tree-lined streets, vibrant cafes, and colonial-era buildings, this area reflects the blend of French and Tamil culture that defines the city.

Pondicherry's Marina Beach: Pandy Marina Beach is a vibrant new addition to Pondicherry's coastline, offering a blend of leisure, culture, and scenic beauty. Located just south of the famous Promenade Beach, it features wide walkways, food stalls, eco-friendly installations, and recreational zones. With its clean surroundings and relaxed vibe, it's a perfect spot to enjoy the sea breeze, local cuisine, and beautiful sunrises.
